

## 2010 Fort4Fitness Race Day Packet Pick Up Request Form

We hope and expect you can make every effort to attend the Fort4Fitness Festival's Health Fair, Healthy Food Expo, Packet Pick Up and finish of the Kids and Seniors Marathons on Friday, September 24, 2010 from 2 PM – 9 PM. The afternoon and evening will be filled with excitement as Fort Wayne celebrates healthy living.

However, we realize there are some cases where it is impractical or impossible for some registrants to make it to packet pick up the night before the race. They may live far enough away for it to be a hardship to make a special trip into Fort Wayne and back home, yet they live close enough to drive to the race on Saturday morning. Other registrants may be driving or flying from great distances into Fort Wayne on Friday but arriving after 9 PM. For these two groups of people we would like to offer the ability to pick up their packet on race day. This service is NOT available to people who live in the Fort Wayne area, have friends or family in Fort Wayne or will be arriving early enough to attend the Friday festival. In order for a race our size to function efficiently on race day, we must limit the number of people picking up their packet on race morning to those who truly have no other way to get it. All requests for this service will be highly scrutinized. In determining if the 40 minute time limit is met, [www.mapquest.com](http://www.mapquest.com) using the "shortest time" setting will be the deciding factor. Only people who have an approved form on file will be allowed to pick up their packet on Saturday, September 25.

### Part 2 – Request Special Race Day Packet Pick Up

In order to qualify for special, limited packet pick up on the morning of the race, the first 3 conditions must apply and just one of the last 2 conditions.  
 Note: Parkview Field is located at 1301 Ewing, Fort Wayne, IN 46802. Normal PPU hours are 2 PM – 9 PM Friday, September 24, 2010.

I live more than 40 minutes one-way from Parkview Field and picking up my packet during normal PPU hours would present a hardship

I do not have family or friends in the Fort Wayne area who can pick up my race packet for me during normal PPU hours

I will not be in the Fort Wayne area for business or personal reasons during normal PPU hours

AND

I am planning on traveling to Fort4Fitness Half Marathon or 4 Mile Run/Walk the morning of September 25, 2010

OR

I am planning on arriving in Fort Wayne on September 24, 2010, but my flight/arrival time does not permit me make normal PPU hours  
 (check which applies)
