(Fort Wayne, IN) - The anticipation continues to build for the inaugural Fort-4-Fitness Health Festival in Fort Wayne, and today, the event committee is excited to announce the opening of race registration online at the newly launched web site [www.fort-4-fitness.org](http://www.fort-4-fitness.org).

Registration is now underway for the Half Marathon and 4 Mile Run/Walk on Saturday, September 27th. An early-bird registration discount will be given to all who register prior to July 1, 2008. The two races, along with a Health Fair and Health Food Expo will combine to create the Fort-4-Fitness Festival over two days, September 26-27, 2008. The events will showcase Fort Wayne and Northeast Indiana's commitment to fitness and healthy lifestyles.

The races will start and finish in Freimann Square and will give runners and walkers a unique look at downtown Fort Wayne and some of the city's beautiful parks. All race participants will receive a finisher's medal upon completion of their race.

Individuals and organizations wishing to get involved in the events, through sponsorships, exhibits and volunteers can also log on to the Fort-4-Fitness web site for more information.
